Ordering Options

Free Gift In start month	New PCs in their start month who order at least 150QV get to order one FREE product of their choice up to \$60 retail in Canada and \$50 retail in the US . (New Consultants can choose any one product of their choice as a free gift with an order of at least 250QV.)
Build Your Own Value Pack	<p>In Canada: For every 250QV you order, you can get \$150 worth of product (retail) for \$30 (plus tax). For an IC, the tax is on \$150 and for a PC the tax is on \$30. For 500QV ordered, you get \$300 for \$60 and so on. (Note you will not earn QV or get paid on the \$130 worth of products that they get for \$30.)</p> <p>In the US: For every 250QV you order, you can get \$125 worth of product (retail) for \$25 (plus tax). For an IC, the tax is on \$125 and for a PC the tax is on \$25. For 500QV ordered, you get \$250 for \$50 and so on. (Note you will not earn QV or get paid on the \$125 worth of products that they get for \$25.)</p> <p>For people who want to get the RE9 Set at a greater discount, order the toner, eye cream, day cream and serum and additional products of their choice worth at least 52QV. Then in the Build Your Own Value Pack add the wash and night cream.</p>
ASVP (Arbonne Special Value Pack)	These are prepackaged sets of products that use the concept of the "Build Your Own Value Pack". Great percentage off products. No additional specials are offered.
Preferred Advantage Program	PCs will earn reward credits that can be spent on subsequent orders within 60 days. The more money spent on a given order, the more credits earned: \$150-\$249.99: \$10; \$250-\$349.99: \$20; \$350-\$449.99: \$30; \$450-\$549.99: \$40 \$550+: \$50

Success Packs

New Consultants can order these in their 1st or 2nd month. We do not recommend them since they don't contain the business tools our successline recommends a new consultant lend out to prospects and they do not maximize QV.
