Step 1: *Facial Cleanser*

- Cleanses and hydrates without stripping
- It's not good to feel "squeaky clean"
- This means you have stripped acid mantle which protects you from bacteria and viruses
- We age our skin 7 days every time we go to bed without washing our face

Step 2: *Regenerating Toner*

- Antioxidant Rich, pH balanced mist
- Contains Vitamins A, C and E
- Regenerates skin tone and firmness to deliver younger looking skin.
- Removes traces of cleanser and restores your Acid Mantle

Note:

Use at an Ultimate Facial, one on one, group presentation etc...

Step 3: *Intensive Renewal Serum*

- Collagen supporting ingredients give this product long term effects
- Diminishes fine lines, wrinkles, and acne scars
- We call it gold in a bottle
- Packed with AHA's and BHA's to remove dead skin cells and encourage new cell growth
- It also prepares skin to accept optimal hydration

Step 4: *Restoring Day Crème with SPF 20 and Night Crème*

- Hydrates and protects; reducing the appearance of fine lines and wrinkles
- Night crème nourishes, strengthens and firms while you sleep
- Day is your protector; night is your corrector

Step 5: *Corrective Eye Crème*

- Apply eye crème with ring finger; it's our weakest finger
- Moisturizes, reduces appearance of dark circles
- Anti-inflammatory which reduces puffiness
- Protects and repairs delicate tissue around eyes
