

Genius Express Mini-Facial Step by Step Guide

Step 1
RE9 Smoothing Facial Cleanser
Wash face and remove eye makeup.

Step 2
FC5 Exfoliating New Cell Scrub
With moisten face and hands apply a pea sized amount over face. Can be used as a mask as well. MAY EXPERIENCE A TINGLING FEELING & A LITTLE HEAT. It is a thermal product so that is all normal. 2 – 3 minutes as a mask and rinse.

Step 3
RE9 Regenerating Toner
Balances the pH of your skin to allow for the upcoming products to do their best work!
Hold in front of your nose about 3 inches away from your face (close eyes and mouth!)

Step 4
Genius Nightly Resurfacing Pads
Gently sweep over face in an upward motion. (Any left over can be used on neck, décolletage & hands)

Step 5
RE9 Intensive Renewal Serum
Apply in an upward motion

Step 6
RE9 Corrective Eye Cream
Dab with ring finger on lower occipital bone and crow's feet area

Step 7 (Additional or Alternate step)
RE9 Lifting and Contouring Eye Cream
With ring finger gently apply to eye lid

Step 8
RE9 Nightly Repair Cream
Pea size amount over face and neck. Apply in an upward motion.

Don't forget to include sunscreen as part of your morning routine
