## Terms & Conditions

- All qualifying orders must be placed individually under each Consultant/Preferred Client/Client ID number.
- A minimum of three orders under three separate unique ID numbers must be placed all on one day to qualify for Host Rewards.
- A standard flat rate shipping of \$12.95 applies for a Host Rewards order. If the Host also places their own individual order and that counts towards the total group QV, the order must be placed online separately prior to the rewards redemption order whereby shipping for the rewards will then be voided. Any Consultant orders that are being used towards the Host Rewards redemption cannot include the 250 QV increment special (\$175 for \$35).
- The Host Rewards order is available for Clients and Preferred Clients only. Any new Clients and Preferred Clients need to have their registration and order processed online through arbonne.com as normal.

## Redemption

- The Host Rewards order needs to be phoned through to Customer service at 0800 995 021 or emailed to arbonneaunz@arbonne.com.
- The Host Rewards order must be submitted within 48 hours of all group orders placed online. All group qualifying orders must be placed online on the same day to be eligible to claim rewards.
- All qualifying order numbers, with ID numbers and names, must be listed and provided to Customer Service upon calling or emailing, along with the ID number for the Host and their order. Customer Service will only accept the Host redemption order. Please note that any orders that are received with items outside of the Host Rewards tiers will not be processed.
