

# RE9 ADVANCED® PREPWORK

## *Collection Focus Guide*

## *Fact:*

It's easier and less expensive to prevent the signs of aging by caring for your skin at an early age than trying to minimize the signs of aging after they appear on your face.

Executive Regional Vice President

**Avery Honeycutt**  
Arbonne Independent Consultant  
National Vice President

Skincare in your 20s to early 30s may still be focused on combatting acne pimples or minimizing the appearance of acne hyperpigmentation or scarring. More importantly, this is the time to get a preventative jump on premature skin aging by adopting healthy skincare and eating habits. The result can be beautiful, glowing skin and a diminished appearance of fine lines, wrinkles, and dark spots over time. This is your chance to focus on now — and the future.

# HEALTHY-LOOKING SKIN

## Every. Single. Day.

Here are some tips to help achieve the ultimate in life-long, healthy-looking skin:

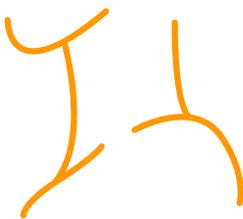

- Stay away from harsh cleansers that can cause over-drying of the skin.

- Use products that are appropriate for your skin type and needs.

- Rain or shine, protect your skin every day with a broad spectrum SPF product.

- Don't forget your neck and chest. While you're logging in cell phone time, your neck starts to show premature folds and wrinkles thanks to the angle you hold your head.

- Drink plenty of water throughout the day to keep your skin hydrated from the inside out.

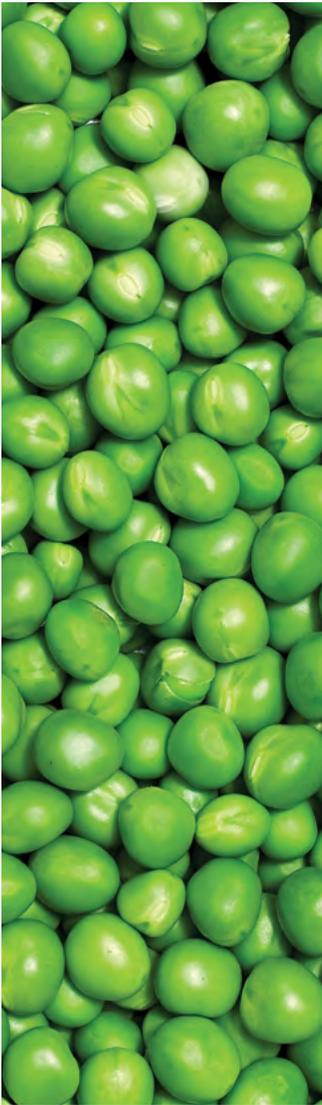

## RE9 ADVANCED<sup>®</sup> PREPWORK STORY

Developed for the busy  
“**girl on the go,**”  
this collection will  
help skin maintain  
its vitality and  
**healthy-  
looking glow.**

Formulated with a superfood  
cocktail of ingredients – vitamins  
C and E, antioxidants, omegas and  
phytonutrients – these products  
help improve the appearance of skin  
tone, radiance and luminosity while  
also softening the look of baby lines  
and improving the feeling of skin’s  
texture and bounce.

# KEY INGREDIENTS

## Pea Protein

Packed with phytonutrient and antioxidant properties, helps moisturize the skin to improve the look of firmness and elasticity.

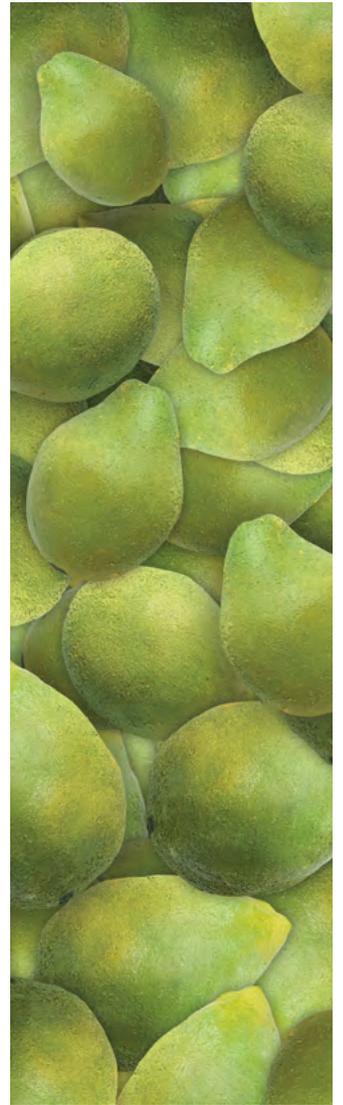

## Raspberry Ceramide

This superfood with omegas 6 and 3, is at the heart of our hydro-sealing blend, along with the antioxidant vitamin E.

## Sustainable Lingonberry Stem Cell Extract

Contains vitamin C and E along with polyphenols, and helps improve the appearance of skin radiance and texture by conditioning the skin.

## Sustainably Harvested Kakadu Plum

With vitamin C, boosts and maintains moisture, resulting in an improved appearance of baby lines while restoring a natural, youthful glow.

# Beauty from Within

To achieve healthy-looking skin, you need a little help from the inside. Here are some ways that nutrition can help:

**Probiotics:** The digestive system naturally has billions of bacteria, like the skin. Probiotics provide strains of good bacteria to help replenish and support the digestive tract; helping support the immune system from the inside out. Find it in: **Arbonne Essentials, Digestion Plus**

**Digestive enzymes:** This helps the body process foods more effectively and the digestive system function optimally. Find it in: **Arbonne Essentials, Digestion Plus**

**Fibre:** Fibre helps keep things moving in the digestive tract and promote healthy gastrointestinal functioning. Find it in: **Arbonne Essentials, Daily Fibre Boost**

**Healthy fats:** Minimize trans and saturated fats that could contribute to an unhealthy vascular system, which may impact other parts of the body, such as the skin. Instead, switch to healthy fats like olive oil, coconut oil, avocados, nuts and omega-3-rich seeds.

**Omega-3:** Help balance essential fatty acid levels with a supplement if you're not getting enough in your diet, you can find it in **Arbonne Essentials Omega-3 Plus** every day.

Dr. Nora Zorich, MD, PhD

*“With our increased understanding of the role of intestinal health, we are beginning to understand the gut-skin connection along with the role of probiotics in maintaining healthy and great-looking skin.”*

## THE BOTTOM LINE

Healthy-looking skin isn't an accident — it's a result of understanding your skin type and creating a skincare and nutrition regimen to meet your needs.

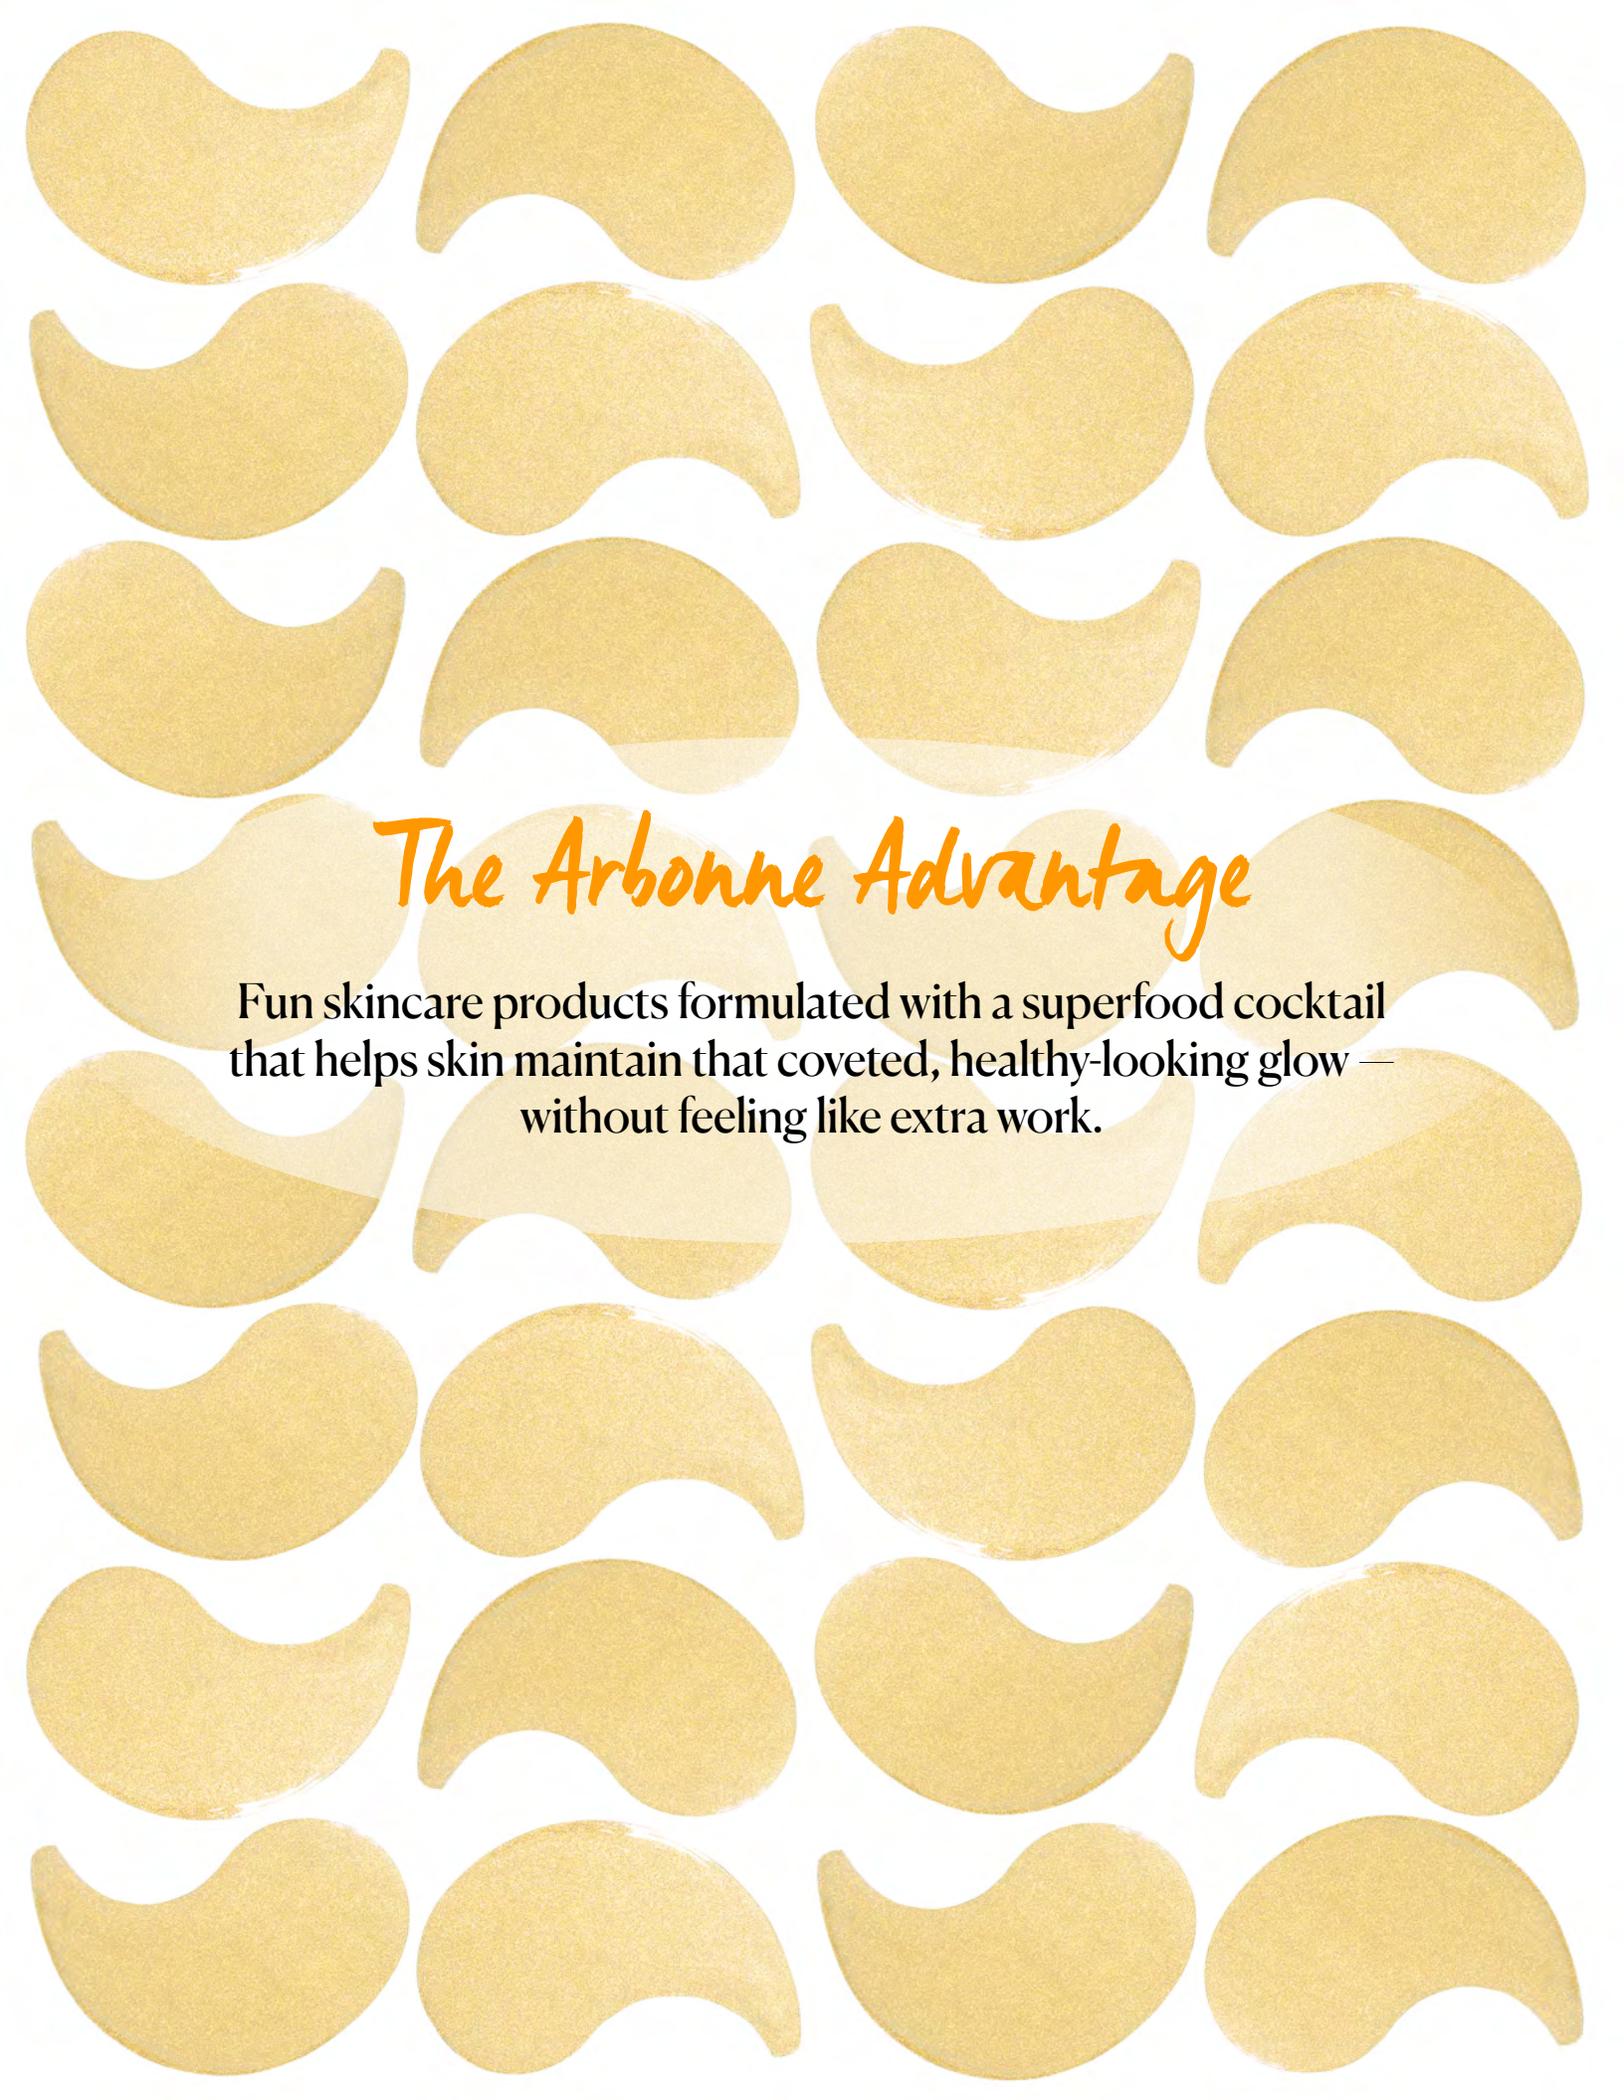

# GLOW UP

You can also incorporate your favourite products from other Arbonne skincare collections to customize your skincare regimen!

✦ Add the **RE9 Advanced Corrective Eye Cream** every morning to give some extra TLC to the delicate skin around the eye.

✦ Use the **RE9 Advanced Cellular Renewal Mask** 1-2 times per week in the evening to gently remove dead skin cells and impurities through exfoliation.

## *The Arbonne Advantage*

Fun skincare products formulated with a superfood cocktail that helps skin maintain that coveted, healthy-looking glow — without feeling like extra work.

“ The Prepwork line is suited for anyone who wants to take care of their skin. Prepwork helps prepare for the future.

With superfood ingredients and a lightweight feel (even for younger or more acne-prone skin), this line provides exfoliation, hydration, and sun protection.”

— Dr. Wesley MD, FACMS
