

Independent Consultant SuccessPacks

New Independent Consultants need a variety of products and tools to jumpstart their business and get them on the path to growing strong. We created SuccessPacks just for them!

SuccessPacks are three special product bundles to use and display, as well as business tools to help set up the new Consultant for success.

All of the SuccessPacks are offered at amazing **savings of 50% off** the suggested retail price!

SuccessPacks are pre-assembled and easy to order. Consultants can choose based on their interests or where they want to focus their business:

- Anti-Aging Face
- Nutrition
- Arbonne Cosmetics

Each SuccessPack offers remarkable savings and RV/QV, so it's the perfect way for a new Consultant to get on the road to Strong Start. That's not all — **SuccessPacks will also qualify new Consultants for a New Consultant Free Gift in their Start Month.**

New Consultants can order as many SuccessPacks as they want in their Start Period, which is their Start Month plus the following month. The SuccessPacks can only be ordered during the Start Period, so it's best to order several to take advantage of the incredible limited-time savings.

It's our way of welcoming new Consultants to the Arbonne Family!
